

To: Dairy Holdings Limited

We are extremely grateful to you for the very generous donation of beef mince towards our Nourish program.

Your donation will contribute to over 160 home-style ready-to-eat nutritious meals for those in the Ellesmere, Darfield and surrounding communities during times of need – be it sickness, grief, crisis, the arrival of a new baby or someone simply needing encouragement.

We understand you have several farms within these communities. If any such need arises amongst your staff or operators, please don't hesitate to have them reach out to us for food or other support.

Thanks again for your thoughtfulness and generosity!
